

Let Women Talk!

**Come and be part of the first ever
national focus group run for and by
women living with HIV**

Your voice will contribute towards women's health literacy initiatives that can inform future health practices.

We want to better understand how and where you currently access prevention and treatment health information and support.

A \$50 EFTPOS card and Cabcharge voucher (for travel from the event) will be provided to focus group participants

Wed 23 Oct 2019

6PM - 9PM
